**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of internet who does not want you to enact rules to benefit large telecom companies like AT&T. Preserve access to last-mile infrastructure for smaller ISP's. I use fiber internet today and it is 100% better than AT&T or Comcast, whose service is terrible and whose customer service is even worse--all because they've carried a monopoly for so long they have ceased trying to compete.

Make AT&T compete fair and square. Don't succumb to lobbyist pressure.

Keep broadband alive.
